

SAFETY DATA SHEET

SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

Product name: **SWISSPERMIL®**

Product use: **Personal care**

Product description: **SWISSPERMIL® is a personal care product used for skin care. It is a white, creamy substance that is applied to the skin. The product is used to moisturize and soothe the skin, and to reduce the appearance of wrinkles and fine lines. It is suitable for all skin types, including sensitive skin.**

Product identification: **SWISSPERMIL®**

Product classification: **Category 1**

SECTION 2. HAZARD IDENTIFICATION

Hazard classification: **Category 1**

Hazard description: **The product is classified as Category 1 due to its potential for causing skin irritation. It is a white, creamy substance that is applied to the skin. The product is used to moisturize and soothe the skin, and to reduce the appearance of wrinkles and fine lines. It is suitable for all skin types, including sensitive skin.**

Precautionary statement: **Keep out of reach of children. Avoid contact with eyes. If contact with eyes occurs, rinse thoroughly with water. If irritation occurs, discontinue use.**

First aid: **In case of contact with eyes, rinse thoroughly with water. If irritation occurs, discontinue use.**

Storage: **Store in a cool, dry place. Keep the container tightly closed.**

Disposal: **Dispose of the product in accordance with local regulations.**

Additional information: **For more information, please contact our customer service department.**
