

Know your child got on the bus safely.

Key features

- € View a real-time, map-based bus locator
- € Guarantee parent/guardian and student information privacy
- € Create custom zones for each stop and facility
- € Send email alerts and SMS messages
- € Available on smartphones and tablets

Trust that your information is secure.

Security is priority one, especially where student information is concerned. All parent/guardian information is locked down and password protected within the app to prevent unauthorized people from opening the app and viewing the child's bus information.
