FROM HARDIN RD.
4301 S. HARDIN BLVD., MCKINNEY, TX 75070

BROUGHT TO YOU BY THE SPECIAL PROGRAMS
DEPARTMENT OF MCKINNEY ISD

Experience Dyslexia is designed to increase awareness of the difficulties and frustrations that people with dyslexia (a specific language learning disability) experience daily. We hope this experience will provide insight into working more effectively with people who have dyslexia and increase your understanding.

Parents and educators are welcome to attend. Adults only, please. Due to the nature of this simulation, it is not appropriate for children.
